

Round 1 Bronkhorstspuit

The 2017 rally season got off to a great start on Saturday for Arnold Neveling and navigator Tommy coetzee. 5 stage wins was more than enough for them to take the win in class Nr2 for front wheel drive 1600cc vehicles.

Arnold Neveling: "It's a fantastic feeling to win the first event. Everything went according to plan the car was fast and reliable and Tommy did a great job reading the notes. It was important for me to finish this event so i tried to build a good momentum and not take any unnecessary risks".

Following a frustrating 2016 season with reliability issues, maximum effort was put in during the off season to make sure all problems were fixed. The car received a complete strip down, freshly rebuilt engine and each part checked and replaced.

The rest of our season looks as follows, please feel free to come and support us on any of these events. Simply contact us and we will forward all relevant information such as spectator guides, maps, etc.

In the mean time you can follow us on Facebook [@NevelingRallyTeam](#)
